

- Eyelet - Slot Top - Tab Top - Measuring Guide.

These style curtains can only be hung on a pole.

How to measure the width:

This is the total width of your pole, excluding finials (decorative ends).

How to measure the drop:

Measure from the top of the pole to your desired drop length.

EYELETS - Add an additional 3cm to this measurement for the fabric above the pole.

Please provide the diameter of your pole for Tab Top & Slot Top curtains.
